# Amantica Lodge

Located on the shores of Lake Titicaca, the lodge sits castled on the island of Amantani. This mystical place offers a unique experience to our customers, never before imagined. Discover the culture of ancestral populations in a place where luxury and authenticity are combined.

A full-page background image showing a night sky with the Milky Way galaxy. In the foreground, a rocky coastline is visible. A person is standing on a rocky outcrop, looking up at the stars. To the left, there are some buildings with warm lights glowing from their windows. The water is dark and calm, reflecting the light from the sky and the buildings.

# Experience

We offer a dream out of time in a unique and spectacular environment. Share with the natives, enjoy our 100 % local and organic cuisine, and receive the energy and spirit of Amantani with a philosophy of social responsibility.

# Our Lodge

Uniqueness and luxury combined in one place, the island of Amantani. Where our Chef Adelí and your host Oswaldo, native of the area, will greet you.

## Suite

Amantica Lodge consists of 2 suites, each with a spectacular terrace overlooking the Andes Mountains. Our beds of the highest quality, assure a dream in front of one of the most breathtaking scenery in the world.

# Family Suite

Our second room offers a unique view of the island of Taquile. It has two queen size beds of the highest quality for you to enjoy a deep rest.

Find yourself suspended in time during the night, thanks to the rhythm of the waves and the ancient peace of this magical place.

# Bathroom

A modern bathroom where the main character is our Jacuzzi, carved into the rock, merging with the waters of the majestic Titicaca.

# Cuisine

Enjoy an amazing culinary experience served by our chef Adelí (capacited in Gustu, leader for 3 consecutive years of The World's 50 Best Restaurants and the San Pellegrino List). Discover our novo-Andean menu thought within the slow-food philosophy.

# Titicaca Lake

3,820 meters above sea level, 8,559 square kilometers, 2,283 meters in depth, 41 islands, 25 rivers, 530 species of aquatic animals, 109 species of endemic birds, 12 rock paintings with more than 8,000 years of age.

The wonders of the lake are endless and our staff will be at your disposal to discover them.

# Activities

We offer unique and authentic excursions for the pleasure of our guests, who can choose from ancestral, sporting and/or cultural activities. Oswaldo, our native host will handle everything to fulfill all your wishes.
